## Revival on Kauai

It was my privilege to spend almost a full week on the beautiful Island of Kauai and preach a revival series at the Lawai Valley Church. Members had their own copy of the *Great Controversy* by Ellen White. We journeyed through key chapters that strategically point us to the nearness of Christ's return. Not only was the fellowship warm and friendly but I was also able to stay in one of our cabins at Kahili Mountain Park. What an amazingly beautiful location! The Lord blessed each meeting and the Spirit led us to a time of revival and renewal. I spent a couple hours walking the campus at Kahili and visiting each classroom. We have dedicated teachers and staff that work hard to provide the kind of education our students need and deserve.

I was impressed with all the work that has taken place recently to get the school and campus looking better than I have seen it in years. Volunteer groups from the Mainland have been donating their time and skills in dealing with some of the major maintenance needs. For example, members from the Placerville SDA church in California donated their time and renovated the gym and other projects on campus. What a blessing! Please continue to keep Kahili in your prayers. We have faced some major challenges the last several years but God still has a plan and purpose for Kahili.

## Molokai

Elder Rob Lloyd and I visited pastor Barry and Norma Crabtree. They left their home in Australia to volunteer as pastor for six months here in Hawaii. They both have such a treasure trove of pastoral experience and their ministry has made a huge impact on the Island of Molokai. We are deeply grateful for their service.

## Pray for Japan

Under the leadership of pastor Koji and Masumi Nishikawa the Lahaina church hosted a fundraiser event at the church for the Japanese earthquake/tsunami. There was enthusiastic support from the community and much needed funds were raised for the Japanese Red Cross and ADRA Japan.

## Maui Adventist School

While on Maui to preach at the Lahaina church I stopped by our school on Friday for a visit. Again, there have been a few challenges facing the school this year but God has blessed in spite of them all. Sean and Kim Ramos are two very dedicated and gifted teachers. There is also good support from the churches.

## Waipahu Samoan Revival

Pastor George Tolai planned another revival series. I attended one of the lectures given by Dr. Dwight Haynes. The theme of his revival was, "Salvation In The Sanctuary." There was a solid attendance for the meetings and the spiritual depth of his presentations captivated each of us. The sermon I heard on Revelation was fresh and relevant for these times.

## AMES

There is a wonderful spirit and enthusiasm at our school in Waianae. At my last visit I arrived in time to watch a new game introduced to the students by Alio Santos and as you see in this picture some very thirsty students from Rick Rincon's class. My visits are an opportunity to express my deep appreciation to the teachers and support staff. These students are blessed!

## 'Oleo Community Television

Sharon and I were invited to participate in the taping of a program to be aired in the near future. Sharon played her flute then Mr. Ah Sam interviewed me for twenty minutes. It was an opportunity to share not only my personal journey of faith but also many of the beliefs and teachings of the Seventh-day Adventist Church and various ministries taking place here in Hawaii.

## New Pastor for Kona District

Pictured here is the new pastor for the Kona English and Hispanic churches. Luis and Ruth Camps will be making their move to Hawaii in July. We are delighted to have them join our team and I know both churches are eager and anxious for their arrival. Luis is a gifted bilingual pastor and by the power of the Holy Spirit there will continue to be Kingdom growth in Kona.

## HMA K-8 Chapel

I don't find myself climbing up on roofs much anymore but an exception was made to inspect the K-8 chapel. Good progress is taking place in repairing and refurbishing the facilities due to fire damage several years ago. Pictured here are John Mooy and Ron Wolf discussing what needs to be done on the roof. This is John's final year with us in Hawaii and he will be greatly missed! Mahalo for your faithful dedication and service. Your love for God and passion for education will leave a lasting legacy!
